

## Homeowners Vendors Recommendations

The following is a list of businesses that homeowners have referred as reputable services. This list will be expanded as additional vendors are submitted to the President of the Lakes of Shady Shores Homeowners Association (HOA), Joe Kessler ([kesslerjtx@charter.net](mailto:kesslerjtx@charter.net)). Bear in mind, the HOA/Board Members are not responsible/liable for loss/damages/injuries. This list is in response to several requests to post this business referral list to our website for the neighborhood.
